## Awards

Winner of the New York State Broadcasters Award for Best Air Personality in 2014 and 2015

## Achievements

Sky a resident of the New York City suburbs, lives and breathes radio, entertainment, music and community. Skywalker's greatest professional achievement is his show on WSPK K104.7, the #1 most listened to radio station in the Hudson Valley. Radio exposure has led Sky to attend and cover large scale events, including the MTV Music Awards, the GRAMMY Awards, the NFL Kickoff Live from Times Square and numerous movie premiers. He's also interviewed entertainment icons Bon Jovi, Britney Spears, Rihanna, Kevin Hart and Adam Levine. When Sky isn't on air, teaching or writing, he can be found exploring his inner epicure at local restaurants, strolling the streets of Manhattan or rooting on his beloved Yankees.
